O R D E R

The learned Counsel appearing on behalf of the writ petitioners submitted that during the pendency of the writ petition, the writ petitioners were allowed to participate in the process of selection, pursuant to the interim order granted by this Court.

2. The very relief sought for in the present Writ Petition is for a direction to direct the respondents to consider the appointment of the writ petitioners to the post of Laboratory Assistant. However, such a prayer cannot be granted and by virtue of the interim orders, the writ petitioners were permitted to participate in the process of selection. If the writ petitioners are selected, they would have been appointed by this time. However, the relief at this length of time deserves no further adjudication. It is made clear that if any of the writ petitioners are aggrieved from and out of the appointments or any other grievances persist, they are at liberty to redress the remedy in the manner known to law.

3. With these observations, this Writ Petition stands closed. No costs. Consequently, connected miscellaneous petitions are closed.
