### **ORDER**

This writ petition is filed for issuance of a writ of Certiorarified Mandamus, to quash the impugned notification published by the 1<sup>st</sup> respondent on 23.01.2017 for the selection of Grade-II Police Constable and consequently, to direct the respondents to permit the petitioner to write the examination to be held on 21.05.2017.

2. The claim of the writ petition is that the date of age limit, that is prescribed in the notification is erroneous. Since the notification was issued on 23.01.2017 that date should be taken into consideration. The petitioner has not stated any sustainable legal ground to interfere. When the notification

specifically states that as on 01.07.2017, the candidate should have completed 18 years of age, that too it is specifically stated that as on 01.07.1999, the candidate should have born on 01.07.1999 or prior to that date. When the notification specifically prescribes the date as cutoff date, that date would prevail. If the notification is not stating any such cutoff date, then the date of notification will be taken into account.

3.In the present case, when the notification specifically prescribes a cutoff date, that would prevail and the case of the petitioner cannot be considered. This issue was already considered by this Court in W.P.(MD)Nos.2455, 4574 and 4960 of 2017, dated 25.04.2017 and the relevant portion of the order is extracted here under:

*“10.In view of the principles of law reiterated by the Hon'ble Supreme Court and the Rule 14(1) and Annexure II of Tamil Nadu Police Subordinate Service Rules, this Court is not inclined to accept the case of the petitioners. As pointed out by the Hon'ble Supreme Court and this Court earlier, when it is a policy decision of the Government and the Recruitment Agency to fix the cut-off date having regard to the various*

4. When the recruitment authority has prescribed certain conditions by prescribing date in the impugned notification which is a policy decision of the Government, the same cannot be interfered with. Hence, the petitioner has not raised any sustainable legal grounds. Hence, the writ petition is dismissed. No costs. Consequently, connected miscellaneous petitions are closed.
