had an affair with the petitioner and that they got married in a Temple on 27.06.2022. Thereafter, the detenu changed her mind and she went back to her parents home. We specifically asked the detenu as to whether she wants to go along with the petitioner. With clarity, she stated that she on her own volition, came back to her parents home and she wants to continue to live with her parents and she also wants to continue with her studies. She also made it clear that she is not willing to go along with the petitioner.

3. In view of the above, no further orders can be passed in this Habeas Corpus Petition and if so advised, it is left open to the petitioner to workout his remedy in the manner known to law.
