grandfather. Subsequently, a partition was made between the legal heirs of his grandfather ie., the petitioner's father and one Sangan. Thereafter, both are executed a gift settlement deed in favour of the petitioner dated 31.01.1994. After execution of the gift settlement deed, the petitioner has put up a construction in the said land and paying all the taxes since 1994. The said property is a Natham site and hence, the petitioner has made a representation to the revenue authorities seeking Patta, on 27.09.2022. But no action has been taken by the respondents so far. Hence, the present Writ Petition is filed.

4. The learned Special Government Pleader appearing for the respondents would submit that the land in Survey No.136 is classified as Tharisu and not Natham.

5. The learned counsel appearing for the petitioner would submit that it would suffice if a direction is issued to the respondents to consider the representation of the petitioner, dated 27.09.2022.
