ORDER

Heard the learned counsel on either side.

2. The petitioner is an aspirant for the post of PG Assistant (English). Even though he had given correct answer to the petition mentioned question, he was unlawfully denied one mark because the key answer itself was wrong.

3. In an identical case, I had given relief. The petitioner places reliance on the aforesaid order. Unfortunately, I am not in a position to give relief to the present petitioner for the reason set out in the final paragraph of the order dated 2.11.2022 in W.P.(MD)No.22129 of 2022. Paragraph No.17 of the said order is as follows:-

“17. I grant relief to the petitioner because she had filed the writ petition on 16.09.2022 itself. On 20.09.2022, I passed an interim order in the presence of the standing counsel that any appointment made pursuant to the selection list will abide by the outcome of the writ petition. Now that the process is over. I will not entertain any further writ petitions even if the

petitioners are placed on the same footing. I do not want to open the flood gates. Grant of relief shall remain confined to the petitioner alone.”

4. Even though the petitioner is justified in his claim, I have to reluctantly dismiss the writ petition. The Writ Petition is dismissed. No costs. Consequently, connected miscellaneous petition is closed.
