Heard the learned counsel on either side.

2.All that the petitioner wants is registration of the petition mentioned judgment and decree. The petitioner has been constrained to file this writ petition because the petitioner was informed that in view of lapse of time and in view of the bar under Section 23 of the Registration Act, the second respondent may not register the document. It is well settled that the time limit set out in the said provision is not applicable registration of Court judgment and decree.

3.In that view of the matter, the petitioner is permitted to present the petition mentioned document before the second respondent and the second respondent shall register the same subject to fulfilment of the usual formalities. The writ petition is allowed. No costs.
