ORDER

Heard the learned counsel appearing for the writ petitioner and the learned counsel appearing for the State Government and the learned Assistant Solicitor General appearing for the third respondent.

2. Notice on the private respondents could not be served. The allegation of the petitioner is that the private respondents have been running the petition mentioned prawn farm illegally. Since the authorities have not taken any action, the present writ petition came to be filed. When the matter was taken up for hearing, the learned Assistant Solicitor General of India appearing for the third respondent submitted that without registering themselves with the third respondent authority, a prawn farm cannot be established. In this case, the private respondents have not registered themselves with the third respondent. This submission is more than sufficient for this Court to conclude that the private respondents have illegally established the farm.

3. I wanted to know from the learned Government Advocate as to what action the State Government has taken. It is stated that action

has been taken by the District Collector and the prawn farm has since been closed. A counter has also been filed to that effect by the Tahsildar, Avudaiyarkovil.

4. Recording the said submission, the writ petition is disposed of. No costs. Consequently, connected miscellaneous petitions are closed.
