O R D E R

The petitioner, challenging the impugned rental arrears Notice, dated Nil, has filed the present Writ Petition.

2. The contention of the petitioner is that from time immemorial, the petitioner's forefathers and his ancestors living in the house, situated in Andipatti. Finally, the petitioner's father, as being descendents, lived in that house with family, till his

death. Thereafter, the petitioner came in possession and enjoyment of the property. The petitioner has also put up construction, residing there and paying the Kanikkai at Rs.442/- to the third respondent every month. Further it is submitted that land does not belong to the Temple, it is a Natham Poramboke. As per revenue records, the land is classified as gramanatham. The petitioner is in possession of 1544.06 sq.ft. of land. Suddenly, the 3rd respondent revised the monthly rent and re-fixed as Rs.3860/- from 01.07.2016. Thus, the fixation of fair rent by the 3rd respondent is arbitrary and unsustainable. He would further submit that the 3rd respondent issued a Notice, dated 30.11.2017, claiming arrears of rent from 01.07.2016 onwards. Further, if the petitioner fails to make payment, proceedings under Section 78 of the Hindu Religious and Charitable Endowment Act will be initiated.

3. The learned counsel for the 3rd respondent would submit that now the petitioner is residing in the property. The petitioner has got arrears of rent as on 30.06.2022, to the tune of Rs.2,19,134/-. The petitioner has produced -A- Register wherein, the property in S.No.711/A belongs to "Meenakshi Sundareswarar Devasthanam", whereby, confirming the land belong to the Temple. He would further submit that apart from the petitioner, several other tenants put up their construction and residing there. Some of them are paying rent and some of them are paying the revised rent. In some cases, proceedings initiated, in some cases, it is pending and in some cases, possession taken. Thus, the Temple is the rightful owner of the property and they have every right to issue Notice for re-fixation of rent. In case of any default or arrears of rent, they can be declared as encroachers and possession of the property can be taken. So far, this petitioner is concerned, he after filing the writ petition made payment of Rs.69,798/-, which confirms that he is very much interested with the tenancy.

4. Heard the learned counsel appearing on either side and perused the materials available on record.

5. In view of the above, it is seen that the only grievance seems to be is that such huge amount of arrears of rent cannot be paid immediately, he seeks short accommodation to make payment in installment, of course, without any prejudice to his right to file civil suit questioning the right of the Temple in the above land. Apart from paying the revised rent of Rs.3860/-, he undertakes to pay Rs.10000/- per month to discharge the liability of earlier arrears of rent, within a period of 22 months by monthly installments of Rs.10000/- commencing from November 2022. In the event of any waiver, recall of any claim on the revised rent in respect of quantum and period, the same benefit to enure to the petitioner, whereby, the rent already paid, if it is in excess, the same to be adjusted in future rents giving credit and benefit to the petitioner. The petitioner admittedly is residing in the property from more than several decades.
