Application is allowed, as prayed for.

Annexures P-2 to P-7 are taken on record, subject to all just exceptions.

CRR-90-2020

Challenge in the present revision petition is to the order dated 04.12.2019 whereby, the application under Section 311 Cr.P.C. for examining him (petitioner) by placing the important documents and re-examining the witnesses in the wake of Enquiry Report dated 29.05.2017.

Learned counsel for the petitioner contends that the next date before the trial Court is 19.10.2022 for re-examination of the petitioner. He wishes to produce the enquiry report dated 29.05.2017, which is very material

for the just and fair conclusion of the trial.

Looking into the totality of circumstances and the stage of the trial, this Court is of the considered view that no prejudice would be caused to the respondent, in case the petitioner is granted one opportunity to produce the inquiry report and to re-examine the witnesses on the basis of said inquiry report, to built up his own defence.

In view of the above facts and circumstances enumerated hereinabove, the petitioner is granted liberty to do the needful within next two dates before the Court below.

Accordingly, the present petition stands disposed of.
