**AVNEESH JHINGAN, J (ORAL)**

This petition under Section 439 Cr.P.C. is filed seeking regular bail in case of FIR No.175 dated 19.6.2021, under Section 302 read with Section 34 IPC, registered at Police Station Sadar Hansi, District Hansi.

The FIR was registered on the statement of Ranbir. As per the allegations on 18.6.2021 complainant accompanied by his brother Wazir (deceased), Sultanpur Surjeet alias Jhabru went to the house of Manu. After an argument there was an altercation. Manjeet gave a spade blow on the forehead and right eye of deceased. Manu gave a binda (baton) blow on the leg. Two accused along with Dholiya attacked the deceased who died due to injuries.

On 19.6.2021 itself supplementary statement of Surjeet @ Jhabru was recorded wherein it was alleged that Angoori (petitioner) was present in the house. Further that all the accused including petitioner gave beatings to the deceased.

Learned counsel for the petitioner submits that supplementary statement is an improvement on the allegations in the FIR. No specific injury or role has been attributed to the petitioner. Even as per supplementary statement she was merely present and vague allegation were made. It has further been argued that as per supplementary statement the petitioner was not armed and he submits that cause of death in opinion of Doctor was:

*“in our opinion the cause of death in this case is due to hemorrhage and asphyxia as a result of multiple injuries esp head injury and constriction force around the neck which is sufficient to cause death in an ordinary course of nature. However, viscera sent for chemical examination to rule out common poisoning and chemical examination”*

The contention is that as per the allegation in the FIR co-accused Mannu and Karamjit @ Dholia put rope around the neck of the deceased, Manjeet gave a spade blow on the head. It is further argued that the petitioner is in custody since June 2021 and investigation is complete.

Learned State counsel opposes the prayer for bail and submits that the petitioner was specifically named in the supplementary statement.

The observations made hereinabove shall not be construed as an expression on the merits of the case but are only for the purpose of deciding the bail petition. The petitioner was not named in the FIR. The allegations in the supplementary statement are of her presence and that she participated with accused for giving beating to deceased, no specific injury is attributed, investigation is complete and conclusion of trial is likely to take time, bail is granted to the petitioner on furnishing surety bonds to the satisfaction of the Chief Judicial Magistrate/ Duty Magistrate concerned.

The petition is allowed.
