ANOOP CHITKARA J. (ORAL)

The limited prayer for which the petitioners have come up before this Court is to examine the doctor as CW5 who had examined him and his name was mentioned in the list of witnesses. Since it is a complaint case and according to the complainant, examination of the concerned doctor is necessary to corroborate injuries. Learned counsel for the petitioner further submits that the trial Court closed the evidence of the petitioner by order and seeks three more opportunities to examine the concerned doctor.

2. Learned counsel for the respondent as well as counsel for the petitioner have no objection in case the concerned doctor is examined through video conferencing. Learned counsel for the respondent further submits that a number of opportunities for examination of the concerned doctor would be limited.

3. Given above, petition is **allowed**, subject to the clarification that in case concerned doctor wants examination through video conferencing, it would not be objected. Apart from issuance of summons, it shall be open for the complainant to personally inform the concerned doctor
