ANIL KSHETARPAL, J (Oral)

The present revision petition has been filed by the defendant challenging the correctness of the order passed by the Civil Court while dismissing its application under Order VII Rule 11 of the Code of Civil Procedure, 1908. The revision petition is pending in this Court for the last 10 years.

Learned counsel representing the plaintiffs (respondents herein) states that the project is already in operation. It is now being run by the Delhi Metro Rail Corporation as the petitioner herein has already handed over the operation and management of the project to the Delhi Metro Rail Corporation.

Keeping in view the aforesaid facts, the revision petition is disposed of as having rendered infructuous with liberty to the petitioner to file an application for revival, if anything survives.

All the pending miscellaneous applications, if any, are also disposed of.
