**SUDHIR MITTAL, J. (Oral)**

The petitioner had initiated partition proceedings in which the private respondents filed an application for keeping the same in abeyance as question of title was involved and civil suits were pending between the parties. The application was dismissed by the Assistant Collector but appeal against the same has been allowed by the Collector. He has directed that the partition proceedings be adjourned sine die.

The order of the Collector is revisable and, thus, the petitioner is relegated to her remedy of revision.

The writ petition is disposed of with a liberty to challenge the order of the Collector by way of revision petition.
