MANJARI NEHRU KAUL, J. (Oral)

This order shall dispose of CR-348-20229 and CR-349-2022,
as both the above noted revision petitions are inter connected.

In the aforementioned revision petitions filed under Article 227 of the constitution of India, the petitioners are seeking setting aside of the order dated 28.01.2022, passed by Civil Judge (Sr. Divn.), Rewari, vide which the applications for early hearing filed by them have been dismissed. Besides this, a further prayer in both the petitions for issuance of appropriate order/direction to the Executing Court to adjudicate upon the application seeking appointment of Local Commissioner in a time bound manner, has also been made.

Learned counsel for the petitioner(s), at the outset, submits that

he would restrict his prayer for issuance of directions to the Executing Court to dispose of the applications filed under Section 151 read with Section 144 CPC for permitting the applicant(s) to open the locks of the property in dispute, which are pending adjudication before it, on the next date of hearing i.e. on 21.05.2022.

Heard.

Keeping in view the above limited prayer made by the learned counsel for the petitioners, the Executing Court concerned is directed to decide the aforementioned applications, which are pending adjudication before it, expeditiously, preferably on the next date of hearing, after considering all the relevant material, in accordance with law.

The revision petitions stand disposed of in the above terms.
