Present: Mr. Atul Lakhanpal, Sr. Advocate with

for the petitioners.

The defendants assail the correctness of the interlocutory order passed by the trial Court on 16.08.2016. Their application for dismissal of the suit being not maintainable was rejected by the trial Court. The suit was filed in the year 2012.

The learned senior counsel representing the petitioners fairly admits that despite the best efforts of his office, the defendants could not be contacted.

While issuing notice of motion, no stay of the proceeding was granted. The suit is already 10 years old. It should have been decided. Even if it is not decided, the trial Court is directed to decide the same within 3 months, from today.

Needless to observe that the trial Court will decide the issue of its admissibility without being influenced by the observations made by this Court.

All the pending miscellaneous applications, if any, are also disposed of.
