

ASHISH GUPTA AND ANOTHER
V/S
STATE OF HARYANA AND OTHERS

Present:- Mr. S.K.S.Bedi, Advocate
for the applicant/petitioners.

...

Instant application has been filed under Order 47 Rule 1 CPC seeking review of the order dated 09.09.2021 whereby this Court had declined to interfere and dismissed CWP No.17741 of 2021.

Having heard Mr.S.K.S.Bedi, Advocate at length, we find that the present review application also deserve dismissal.

In the first instance, we may take note that against the order dated 09.09.2021, the review of which is being sought, the petitioners had approached the Hon'ble Supreme Court in SLP (C) No.20882/2021. The Special Leave Petition on request made by counsel had been dismissed as withdrawn vide order dated 12.01.2022.

Even otherwise, we find that under the garb of the instant review application, the petitioners/applicants are seeking rehearing of the entire case,

The same is not permissible in law.

Review application is dismissed.
