CRM-9995 of 2022

This is an application for addition of offence under Section 411 IPC in the petition.

Learned State counsel has not opposed the prayer.

In view of the above, application is allowed. Petitioner is permitted to incorporate Section 411 IPC in the petition, wherever necessary.

CRM-M-8232 of 2022

The present petition has been filed under Section 439 Cr.P.C. by the petitioner seeking regular bail in FIR No. 202 dated 02.09.2021, registered under Sections 379 and 411 IPC at Police Station Tanda, District Hoshiarpur.

Learned counsel for the petitioner submitted that petitioner has been falsely implicated in the present case. Even otherwise, the alleged recoveries have already been effected and on completion of investigation, challan has been presented in the Court.

Bail application is contested by State counsel who submitted that present petitioner along with his accomplices were involved in theft of motor-cycles which were recovered from the possession of the petitioner and co-accused during investigation of the present case.

I have considered the rival contentions made by learned counsel for the respective parties.

As per allegations appearing in the FIR, the petitioner and other two accused were arrested by the police on 02.09.2021 and at that time three different stolen motor cycles were recovered from their possession. Subsequently, two other stolen motor cycles were recovered in this case on the basis of disclosures made by accused persons. Investigation in this case has already been concluded. It will take time for conclusion of trial, which is yet to commence. No useful purpose would be served by keeping the petitioner behind the bars any more.

In view of the above, without commenting on the merits of the case, instant petition is allowed. The petitioner is ordered to be released to regular bail during trial on his furnishing bail bonds and surety bonds to the satisfaction of Chief Judicial Magistrate concerned.
