This petition was filed in the nature of Habeas Corpus for directing the respondents to produce the detenue minor daughter of the petitioner.

Considering that the welfare of the minor child was involved, the parties were sent for mediation on 27.7.2022.

The Mediator report received annexing the compromise and settlement arrived at between the parties.

Learned counsel for the parties on instructions submit that if things work out the way as has been there are chances of petitioner and private respondents living together.

In view of the above, petition is disposed of.

Needless to say that if good sense prevails, the parties can resolve the pending issues.
