Allowed as prayed for.

Amended grounds of review application is taken on record.

Main

This order shall dispose of as many as four review applications which are connected. The review has been sought on the ground that while deciding the cases of District Panipat, the Court has applied the reverse deduction of 20%.

It may be noted here that Special Leave Petition filed by the applicants has already been dismissed. The Supreme Court did not grant any liberty to the applicants to file review applications, though a similar liberty was given to the landowners belonging to other acquisition by the same order.
