**IN THE HIGH COURT OF PUNJAB & HARYANA AT
CHANDIGARH**

CWP-5146-2022

Date of Decision: 15.03.2022

(Heard through VC)

JASBIR

.... Petitioner

Versus

THE HARYANA STAFF SELECTION COMMISSION Respondent

CORAM: HON'BLE MS. JUSTICE JAISHREE THAKUR

Present:- Mr. A.K. Walia, Advocate, for the petitioner.

JAISHREE THAKUR.J (Oral)

Through the instant civil writ petition filed under Article 226 of the Constitution of India, the petitioner has sought issuance of a writ in the nature of certiorari quashing the physical measurement tests dated 16.01.2022 and 05.02.2022 (Annexures P-9 & P-10 respectively).

Learned counsel appearing on behalf of the petitioner would contend that the physical measurement tests taken by the respondent for the selection to the post of Male Constable in the scheduled castes category are conflicting with each other. The accurate height of the petitioner is 168 cm whereas in the first test, it was recorded as 166.7 cm and in the second test, it was recorded as 167.5 cm. It is claimed that petitioner satisfies the required criteria of height in his category.

Notice of motion.

At this stage, Mr. Vishal Malik, DAG, Haryana, who is present through the medium of video conferencing, accepts notice on behalf of the respondent.

I have heard learned counsel for the parties and in view of the conflicting measurement of height of the petitioner at two different times, the respondent is required to get the petitioner's height re-measured by constituting an appropriate Committee.

Learned counsel for the petitioner contends that the petitioner is willing to undergo fresh measurement under videography at his own costs, as assessed by the respondent.

In these circumstances, the writ petition is disposed of with a direction to the respondent to get the petitioner's height re-measured by constituting an appropriate Committee. Petitioner will be called for the aforesaid purpose on any day during the first quarter of April, 2022 after constituting requisite Committee. The respondent shall make adequate arrangements of videography as well of the entire measurement process and keep its record.

Writ petition is disposed of in the above terms.
