By this petition, the petitioner seeks issuance of a writ in the nature of 'mandamus' directing the competent authority amongst the respondents to consider his case for renewal of consent to operate the stone crusher in continuation of permission already granted to him, which is expiring on 31.03.2022.

Learned counsel for the petitioner submits that the petitioner would be satisfied if a reasoned decision is taken on the representation submitted by him to respondents no.1 and 2 on 15.02.2022 (copy Annexure P-19), within an appropriate time period.

He submits that the removal fee and other applicable charges have already been deposited by the petitioner.

Without making any comment on the actual merits of the case, the petition is consequently disposed of with a direction to the competent authority

amongst the respondents to take a decision on the aforesaid representation before 31.03.2022, as learned counsel submits that the petitioner has consent from the Haryana State Pollution Control Board to operate his unit upto that date.
