HARSIMRAN SINGH SETHI, J. (ORAL)

By this common order, all the writ petitions, the details of which have been given in the heading of the order, are being disposed of as all the writ petitions involve the same question of law.

In the present petition, the petitioners are the candidates who have competed for appointment to the posts of Physical Training Instructors, which posts are being filled up keeping in view the directions given by Supreme Court of India while passing judgment in **Civil Appeal No.2103 of 2020** decided on 08.04.2020 titled as **Ramjit Singh Kardam and others versus Sanjeev Kumar and others**. The petitioners were required to undergo a written test in order to become eligible for appointment. The minimum marks required were prescribed to clear the said written test. After the test was conducted, the petitioners had certain grievances with regard to the answers as prescribed in the answer key. According to the petitioners, the answers being given in the answer key were not correct and hence, the correct answers as prescribed in the answer key, need to be changed and consequentially revise the result of the petitioners in the written examination. In the said regard, the petitioners raised grievances qua various questions before the authorities concerned by way of

representations. It is the contention of the petitioners that along with representations, the petitioners also submitted the material to support their objections.

Learned Senior counsel for the petitioners argues that the petitioners had given the material in support of their objections for the consideration of the authorities concerned but according to the petitioners, though in the reply it has been mentioned that the objections raised have already been considered but the material which was given to support the objections, has not been taken into consideration by the respondents, so as to arrive at the conclusion whether there is any merit in the objections being raised by the respective candidates or not.

Learned State counsel submits that though in the reply it has been mentioned that after the objections were raised by the petitioners, all the 100 questions were put before the Chief Examiner for appropriate consideration, who had further placed those questions for the consideration of the committee of experts constituted to consider as to whether there needs to be any change in the answer key or not and after the recommendations of the said expert panel, certain decisions were also taken by the concerned authority with regard to some of the questions, against which objections were raised.

Learned State counsel further submits that keeping in view the instructions which have been received from the Chairman of the Haryana Staff Selection Commission, the Commission again intends to place all the objections received from the candidates along with the material submitted in support of the same, before a panel of subject experts for their consideration,

so that no candidate suffers any prejudice so as to conduct a free and fair selection.

Learned State counsel submits that appropriate decision will be taken by the authorities concerned on the advice/recommendations of the expert panel, within a period of two months from the receipt of copy of this order.

Learned counsel for the petitioners submits that keeping in view the statement of learned State counsel, no further grievance of the petitioners survives in the present petitions and the same may kindly be disposed of as having been not pressed any further.

Ordered accordingly.

A photocopy of this order be placed on the files of all the writ petitions mentioned above.
