...Respondents

CORAM: HON'BLE MR. JUSTICE ANIL KSHETARPAL

**Present: Mr. Ramesh Hooda, Advocate,
for the petitioner.**

ANIL KSHETARPAL, J (Oral)

In a claim petition, filed under Section 166 of the Motor Vehicles Act, 1988, an application filed by the Insurance Company to implead the petitioner, who was driving one of the vehicles involved in an accident, has been allowed. The deceased was travelling in the vehicle driven by the petitioner which met with an accident, involving the truck.

The learned counsel representing the petitioner contends that a previous application filed by the claimants was dismissed on 24.04.2019 and, therefore, the second application was not maintainable.

It has been noticed that the present application was filed by the Insurance Company of the truck involved in the accident. The attention of the court has not been drawn to the bar in impleading the petitioner who appears to be necessary and proper party.

Hence, dismissed.

All the pending miscellaneous applications, if any, are also disposed of.
