Vide this petition, the petitioner seeks extension of the period of parole that he is already availing of, on the ground that his newly born son, 3 ½ months old now, is undergoing some serious medical problems.

Upon notice of motion having been issued yesterday, Mr. Deepak Bhardwaj, Deputy Advocate General, Haryana, submits that as per his instructions, the authorities contacted the jail doctor who has told them that as per his information the child is suffering from some serious congenital defects in the brain and the spine and has undergone one surgery with another surgery to be conducted but with the date not known as yet.

In view of the above, the petition is allowed with the period of parole of the petitioner extended for one month from the date that he was to surrender, i.e. 24.04.2022.

Therefore, he would now surrender before the jail authorities
on 24.05.2022.
