**CORAM : HON'BLE MR.JUSTICE AUGUSTINE GEORGE MASIH
HON'BLE MR.JUSTICE ALOK JAIN**

Present :- Mr. Munish Behl, Advocate for the appellant.

Ms. Rajni Gupta, Addl. A.G., Haryana
For respondents No.1 to 5.

AUGUSTINE GEORGE MASIH, J. (Oral)

Challenge in this appeal to the order/judgment passed by learned Single Judge dated 19.04.2022, whereby the writ petitions preferred by the appellant have been dismissed and the allegations made therein for changing the route with an intend to help certain influential person have been answered against him. It has also come in the judgment passed by the learned Single Judge based upon the statutory rules and judgments passed by the Court, as affirmed by the Supreme Court that the affected person has no right to be heard and his entitlement is limited to the extent of compensation.

Learned counsel for the appellant has sought time to place on record the non-feasibility report to substantiate his assertion that the changes, which have been brought about which led to the erection of poles in his land was unjustified and with an intention to help out certain people. On the said non-feasibility report, the counsel has very fairly stated that it is not available on

the record, rather as per the reports available, the shortest route has been adopted leading to the respondents having benefited by the said process. We, therefore, do not find any illegality in the order passed by the learned Single Judge, which would entail interference by us in the present appeal.

The appeal, therefore, stands dismissed.

In view of disposal of the main case, no orders are required to be passed in the remaining civil misc. applications and the same also stand disposed of.
