ANIL KSHETARPAL, J (Oral)

The petitioner complains that the First Appellate Court has failed to decide the application for interim protection, though the appeal was filed on 30.09.2021.

Without going into the merits of the case, the revision petition is disposed of with a request to the learned First Appellate Court to take up either the application for grant of interim protection or appeal and decide the same, one way or the other, within a period of one month, from today.

All the pending miscellaneous applications, if any, are also disposed of.
