Prayer in this petition is for grant of anticipatory bail to the petitioner in FIR No.48 dated 06.05.2022 registered under Sections 302, 149 IPC at Police Station Chhajali, District Sangrur.

Counsel for the petitioner has submitted that the FIR has been registered on the statement of one Samunder Singh that his brother Jagtar Singh is married to the petitioner – Kiranpal Kaur for the last 13-14 years and the relationship between them was not good for the last about 03 years and the petitioner was residing in her parental home. It is further stated in the FIR that on 05.05.2022, Jagtar Singh had gone to his in-laws house to meet his children and he had sent a message that he is forcibly administered poisonous tablets, which are kept in the wheat

by the petitioner, her brother Gurpreet Singh, Kala Singh, Raghu Singh and one Gurdas Singh, who is nephew of the petitioner, after giving beatings. Thereafter, the complainant along with his wife Balwinder Kaur reached to Jagtar Singh and took him to the house of the uncle Harbhajan Singh and thereafter, the victim was taken to one private hospital in Sunam where he died during the treatment. It is also submitted that there was no allegation between the petitioner and the deceased Jagtar Singh and she has been falsely implicated in the case though, she is having 02 minor children, who are living in her care and custody.

Counsel for the State on the basis of the affidavit of the SHO, Police Station Chhajli, District Sangrur has, however, submitted that the FIR was registered under Sections 302 and 149 IPC and the investigation was carried out in which the complainant gave the details of his mobile number as well as mobile number of deceased Jagtar Singh. As per the post-mortem report, it was declared that the cause of death will be declared after the report of the Chemical Examiner. It is also submitted that as per the FSL report, Aluminium Phosphate is detected in the viscera of the deceased.

The affidavit also gives the details of mobile number of all the accused and the victim and that the CDRs of all the phone numbers have been recovered and the investigation lead to a conclusion that the petitioner and the other accused have forcibly administered poisonous tablets to the victim/deceased Jagtar Singh, who later on died. It is also submitted that the custodial interrogation of the petitioner is required.

After hearing the counsel for the parties and looking into

the serious allegations in the FIR, no ground for grant of anticipatory bail is made out.

Dismissed.
