The prayer in this petition under Section 482 Cr.P.C. is for issuance of directions for re-investigation of the case through some independent agency, preferably the Narcotic Control Bureau or the Inquiry Commission constituted by the State Government to enquire into false cases registered under the NDPS Act as the petitioner is a licenced Chemist and has been falsely implicated in FIR No.03 dated 03.02.2019 registered under Section 21 NDPS Act, 1985 at Police Station Tallewal, District Barnala.

The learned State counsel submits that the trial has proceeded significantly and as many as 03 prosecution witnesses out of 11 have already been examined. He further submits that the version set out in the petition to show that the petitioner has been falsely implicated in a case would be taken up by him at the time of his defence and the CD pertaining to his false implication and arrest from his shop has already been submitted before the Trial Court, which shall adjudicate on all aspects during the course of the trial.

In this view of the matter, no further orders are required to be passed by this Court.
