The petition is filed seeking directions to the official respondents to protect the life and liberty of the petitioners at the hands of private respondents (arrayed in the petition), who have been living in live-in-relationship.

After arguing for some time and realising that the representation was sent on 31.05.2022, even without waiting for representation to reach the concerned quarter, learned counsel for the petitioners seeks permission to withdraw the present petition with liberty to pursue the representation.

Dismissed as withdrawn with liberty as prayed for.
