...Respondents

CORAM:- HON'BLE MS. JUSTICE NIDHI GUPTA

Present:- Mr. Vivek Suri, Advocate
for the petitioner.

NIDHI GUPTA J.(Oral)

The appellant/injured has filed the present appeal against the Award dated 05.4.2022 passed by the MACT, Fatehgarh Sahib, whereby the Tribunal has only awarded the compensation to the tune of Rs.17,786/- on account of injuries suffered in the accident.

It has been submitted by the learned counsel for the appellant/injured that only Rs.17,786/- have been awarded as total compensation by the learned Tribunal. Learned counsel further submits that the appellant/injured had suffered fracture of right patela, as a result of which he has become permanent disabled and is unable to do any work and became dependent upon others. It is stated that he was working as *Mali* and therefore due to accident, he is unable to do any work.

However, learned counsel for the appellant/injured is unable to

controvert the findings of learned Tribunal in para 14 of the impugned Award, wherein it has been recorded that “*no medical case summary or medical history or disability certificate has been produced or proved on record and he produced only medical bills Ex.C3 to Ex.C8 amounting to Rs.7786/-.*” It is further not controverted that the appellant/injured was not hospitalized and there is nothing on record to prove the contributory negligence.

As such I find no ground to interfere in the well reasoned Award passed by the Tribunal.

Consequently, the appeal is dismissed.
