In the present writ petition, the grievance of the petitioner is that though, they were posted in the rural area so that the petitioners could serve the said area for a period of five years, which is mandatory for the grant of selection grade keeping in view the Haryana Education (College Cadre) Group-B Service (Amendment) Rules, 1986 as amended from time to time but, they have an apprehension that they will be transferred to urban area, which will cause prejudice to them as they will not get selection grade due to non-serving in rural area for a mandatory period of five years.

Learned counsel for the respondents on instructions from Dr. Ashok Kumar, Deputy Director, Higher Education submits that as of now, there is no proposal for effecting transfers in the college cadre but as and when the same are to be effected in the College Cadre, the grievance of the petitioner that they should be allowed to continue in rural area will be kept

in mind and in case it is not found feasible to keep the petitioners at their present place of posting, the effort will be made to adjust them in the rural areas only.

Learned counsel for the petitioners submits that keeping in view the statement made by the learned State counsel, the present writ petition may be disposed off having been not pressed any further.
