SUDHIR MITTAL, J. (Oral)

A partition application was filed by Pokar against his brother Lal Chand in which *sanad* dated 10.03.2011 was issued. The *sanad* was set aside by the Commissioner Hisar Division, Hisar and the matter was remanded for a fresh decision. Thereafter, the matter went up and down on a number of occasions and finally Commissioner Hisar Division, Hisar passed order dated 08.09.2016 directing partition to be done as per quality and valuation of land. Accordingly, the Assistant Collecotor passed *sanad* dated 17.09.2021 partitioning the land in accordance with value and quality. This order was challenged by the petitioner by way of revision petition but the same has been dismissed. Thus, the present writ petition has been filed.

Since order of the Commissioner dated 08.09.2016 has become final, the Assistant Collector was bound to partition the land on the basis of value and quality. The revisional authority was, thus, justified in rejecting the revision petition.

The writ petition has no merit and is dismissed.
