Learned State counsel on instructions submits that registration of sale deed was never refused. It was only deferred to determine whether the land in dispute was included in the surplus pool or not. The confirmation has been received that it is not in the surplus pool and sale deed shall now be registered on the date the parties appear.

In view of the above statement, the writ petition is disposed of. The petitioner is directed to appear before the concerned authority on 19.08.2022 or on the next working day.
