

**IN THE HIGH COURT OF PUNJAB AND HARYANA
AT CHANDIGARH**

FAO No.3723 of 2022

Date of Decision:-20.12.2022

Savita

...Appellant

Versus

Sanjay and others

...Respondents

CORAM:- HON'BLE MS. JUSTICE NIDHI GUPTA

Present:- Mr. Rahul Vats, Advocate
for the appellant.

NIDHI GUPTA J.(Oral)

The only contention raised by learned counsel for the appellant is for seeking enhancement of compensation of Rs.4,08,348/- awarded by the Motor Accident Claims Tribunal, Palwal to the appellant/claimant/injured is that the income of the injured/appellant has been taken as Rs.10,000/- per month and the same should have been taken as Rs.15,000/- per month as the appellant is working as a teacher in a private school.

However, as noticed by the learned Tribunal, no documentary proof whatsoever has been presented by the appellant in support of her contention. Even now, nothing has been placed on record by the appellant in support of her contention.

Learned counsel for the appellant has further contended a 'meager' amount has been awarded towards the conventional heads. A

perusal of the record evidences that though the appellant had suffered fracture, yet there is no proof of any permanent disability.

The learned Tribunal has awarded the following compensation category-wise as under :-

Pain and suffering	Rs.50,000/-
Special Diet & attendant charges	Rs.20,000/-
Transportation charges for treatment	Rs.10,000/-
Treatment expenses including medicines	Rs.2,68,348/-
Loss of Current Income for six months Rs.10,000x6=60,000/-	Rs.60,000/-
Total	Rs.4,08,348/-

After going through the same I find that the learned Tribunal has awarded reasonable compensation against all the conventional heads in the facts and circumstances of the case.

I find no ground to interfere in the Award passed by the learned Motor Accident Claims Tribunal, Palwal, and hence, the present appeal is hereby dismissed.

Pending application(s), if any, stand disposed of.
