This petition has been filed seeking directions to the official respondents to ensure the installation of four Safety Gates and one Boom Barrier on Sector road of North Zone Sector-23A, Gurugram as per permission dated 22.06.2022 (Annexure P-19A).

Mr.Bahri, on instructions, states that after grant of the permission certain objections have been received by the Deputy Commissioner against the installation of the safety gates. A Committee headed by the Deputy Commissioner, Gurugram and comprising Deputy

Commissioner of Police and Estate Officer, HSVP, would examine the said objections in terms of the Policy guidelines of the HSVP (Annexure P-16) and take a decision with regard to grant of permission for installation of safety gates and Boom barriers.

In view of above, this petition is disposed of with directions that the Committee may take the decision expeditiously preferably within four weeks from today. The petitioner Association would also be heard before any decision is taken by the Committee in that regard.

It is made clear that if the permission is granted, the District Administration would provide all help to the petitioner Association for installation of the gates and boom barrier.
