Harsimran Singh Sethi, J. (Oral)

In the present writ petition, the grievance of the petitioner is that the petitioner be called for interview-cum-personality test as the petitioner has already secured 73 marks in the competition so far and the petitioner is fully eligible to be allowed to appear in interview-cum-personality test.

Learned counsel for the respondents submits that there were certain discrepancies in the physical measurement test of the petitioner as there was dispute qua the actual height of the petitioner. Learned counsel for the respondents further submits that the petitioner was requested to appear for measurement of his height on 05.12.2022 but the petitioner informed the Commission that he has already been selected somewhere else and did not appear for the same.

Learned counsel for the petitioner submits that though, he has not contacted the petitioner since long as the present petition was filed in the year 2017 but in case respondents intend to measure the height of the petitioner again so as to consider his claim against the post of Constable Male (General Duty), the petitioner will appear as and when called by the Commission for the same.

Keeping in view the above, petitioner is directed to appear before the authorities concerned within the Commission for measuring his height and the respondents are directed to measure the actual height of the petitioner and, thereafter assess whether keeping in view the facts and circumstances of the present case, the petitioner is entitled for further consideration in respect of his claim for appointment to the post of Constable Male (General Duty) and in case any merit is found in the claim of the petitioner, appropriate relief be also extended to him.

Present petition stands disposed of in above terms.
