Case heard via video conferencing.

These petitions have been filed under the provisions of Section

439 of the Cr.P.C., for grant of 'regular bail' to the petitioners in case FIR No.

0426, dated 06.06.2021, registered at Police Station City, District Karnal, for

the alleged commission of offences punishable under the provisions of

Sections 148/149/323/506 of the IPC (with Section 307 of the IPC having

been added later).

The reply filed by the Deputy Superintendent of Police, Karnal,

dated 21.01.2022 in CRM-M-42514-2021, is ordered to be taken on record.

Learned counsel for the petitioners submits that the petitioners

not having been attributed the injury dangerous to life and they having been in

custody for more than 06 months now, with the trial still to commence and

with there being no other criminal case registered against them, they deserve to be admitted to bail.

Learned State counsel however points to the annexures along with the aforesaid affidavit, wherein the details of injuries received by three persons (two injuries each) have been referred to but he does not deny that as per the affidavit only one injury, on the person of Arun, was found to be dangerous to life.

Yet, he opposes the petitioners being admitted to bail, on the ground that they did actively participate along with their co-accused and inflicted the aforesaid injuries.

Having considered the matter, looking at the period of custody and the nature of injuries attributed to the petitioners and the stage of the trial, without making any comment on the actual merits of the case, these petitions are allowed. The petitioners shall be admitted to bail upon their furnishing adequate bail bonds and surety bonds to the satisfaction of the learned trial court/Duty Magistrate/Chief Judicial Magistrate concerned.
