 contract employee has a right to have his or her contract renewed from time

to time. It was further observed that the contractual employees, in that case, were directly engaged by the authorities of the Government college. Where the employees have been appointed by the private service provider, they have no direct link or any contract with the Government and they cannot claim parity.

Keeping in view the above discussion, judgment dated 17.01.2020 passed by this Court is being modified to the extent that in case, the petitioners are replaced by another set of contractual employees by any other service provider, they can avail appropriate remedy and raise their grievance against the service provider in accordance with law.
