In pursuance to order dated 28.09.2022, an affidavit of the Director Higher Education, Haryana has been filed in the Court today, which is taken on record.

In the present case, the prayer of the petitioner is that the petitioner has wrongly been relieved from service despite there being adequate workload on the basis of which the petitioner was discharging her duties as Extension Lecturer hence, the respondents be directed to allow the petitioner to continue in service till the workload exists or till the regular selected candidates join.

Respondents have filed reply wherein, it has been stated that though, the petitioner was initially adjusted at Government College

Mathanhail (Jhajjar) on 26.02.2019 and was allowed to continue working there till 22.11.2019 and thereafter, relieved from service due to less workload but again on 08.12.2020, the petitioner has already been readjusted at Government College, Bawal (Rewari), where she is presently working.

Learned counsel for the petitioner submits that keeping in view the fact that the petitioner has been readjusted and is working and respondents have stated that she will be allowed to continue till workload exists or till the regular candidates join, whichever is earlier, the present writ petition may kindly be disposed of having been not pressed any further.

Ordered accordingly.

It is made clear that continuance of the petitioner in service will also be subject to the satisfactory work and conduct of the petitioner while performing her duties.
