[1] Prayer in the petition is for initiation of proceedings against the respondents for intentional and willful defiance of order, Annexure P-1, dated 05.08.2022, in CWP No.17243 of 2022 in case titled as 'UPL Ltd. & another versus PSPCL & another'.

[2] A perusal of order (Annexure P-1) reveals that while issuing notice of motion in CWP No.17243 of 2022 for 17.10.2022, it was ordered that as an interim measure, impugned notices be not construed as an impediment as regards restoration of electricity Connection No.Z 21-DB02-00058 of petitioner No.2, subject to deposit of restoration charges etc. as per law.

[3] The instant petition was filed on account of failure of the respondents to restore the electricity connection.

[4] Learned counsel appearing on behalf of the respondents has produced copy of demand notice, requiring the petitioners to comply with the condition of deposit of restoration charges etc as a pre-condition to the restoration of electricity connection. The same is taken on record. Copy

[5] Learned counsel for the respondents states that in the circumstances, no action is called for against the respondents under the Contempt of Courts Act, 1971.

[6] In view of the position noted above, the instant petition is *disposed of* as not calling for any action against the respondents under the Contempt of Courts Act, 1971. However, liberty is granted to the petitioners to move an application for revival of the instant petition in the eventuality of the electricity connection in question not being restored on deposit of restoration charges etc. in terms of the demand notice.
