CM-35-CII-2022

In view of the urgency expressed by the learned counsels, main case itself is taken up on Board today itself. The application stands disposed of.

Main case

The elections which are currently held up by virtue of an order dated 22.12.2020 passed by this Court. In view of what has stated in the application bearing CM-35-CII-2022 and same being unopposed, order dated 22.12.20 is modified to the extent that status quo shall be maintained without respondent No.1 insisting on participation in the

elections, as has been more particularly specified in para 11 of the application.

Learned counsel for the applicant-respondent No.1 further states that his clients shall not insist for membership of petitioner-society for the purposes of forthcoming elections.

His claim, if any, with regard to seeking membership post elections is left open and remedy qua the same is also left open to be decided by the trial Court. Civil revision petition itself stands disposed of in above terms.

On a Court query, learned senior counsel for the Workers Shramik Union/petitioners submits that elections were since earlier held up due to the interim order passed by this Court, now when the revision petition is being disposed of in terms of the instant order, the elections will be held in due course, as expeditiously as possible.

Pending application, if any, are also disposed of along with the main petition.
