CM-769-CWP-2022 and
CWP-23271-2021

CM-769-CWP-2022 has been on behalf of respondent No. 6 for dismissal of the writ petition as the same has been filed without disclosure of correct facts.

Learned counsel for the private respondents submit that no student of their schools is being restrained from attending online classes on account of fee dispute. The Fee and Fund Regulatory Committee is ceased of the matter and a hearing has already been held on 03.02.2022.

Learned State counsel on instructions from District Education Officer Kaithal corroborates the statements made by learned counsel for the private respondents.

The relief sought in the writ petition is for quashing of illegal actions being done by the respondents and also for a direction to the State to decide the pending complaints/representations. The complaints/representations are regarding a fee dispute. It has also been prayed that the students may be protected as on account of the pending fee dispute, they are not being permitted to attend online classes.

All the grievances have been redressed as neither of any student is being stopped/restrained from attending online classes nor the private respondents intend to do so in future. The statements made today by learned counsel representing the private respondents shall continue to bind them till the decision of the fee dispute by Fee and Fund Regulatory Committee.

The Fee and Fund Regulatory Committee is directed to decide the dispute pending before it expeditiously and not later than four weeks from today.

The application and the writ petition are disposed of accordingly.
