After arguing for some time, learned counsel for the
petitioner(s) has contended that FSL report has not been filed by the State
and has confined their prayer to non-filing of FSL report in these cases.

However, learned State counsel seeks one final opportunity to place on record the FSL report.

Be that as it may, on one hand the State has lodged a campaign against drug mafia and on the other hand, their laboratories are unable to test the contraband and supply the report in a time bound manner.

Thus, the State is given a final opportunity to file FSL report on or before 28.02.2022. It is clarified that in case, FSL report is not procured till such time, then on this ground alone, the petitioner(s) case shall be considered for grant of interim bail on their filing an appropriate application for the same before the competent authority.

At this stage, learned counsel for the petitioner(s) has prayed that they may be permitted to withdraw the present petition(s) as they want to file fresh one for grant of interim bail in the absence of the FSL report.

Dismissed as withdrawn, at this stage.

It is further clarified that withdrawal of the present petition will not come in the way of filing a fresh petition before the learned trial Court or as the petitioners may opt.
