This is an application for reviewing the order dated 05.02.2018 passed by this Court.

A perusal of the application itself shows that the applicant is raising a point which has already been dealt with vide order dated 05.02.2018, qua which review has been sought. The review application has been filed, primarily, to re-argue the case. However, re-arguing the case is not even within the scope of review, and therefore, the same cannot be permitted; as such.

Therefore, finding no merit in the present application, the same is dismissed.
