                  This revision petition was filed challenging the order passed by the District Judge transferring the pending suit from one court to another.

                  Learned counsel representing the respondent submits that after the order was passed, the Presiding Judge of the transferee court has also been transferred. He submits that now there is a new Presiding Judge against whom the petitioner does not have any objection.

                  In view thereof, the present petition is dismissed as infructuous.

                  All the pending miscellaneous applications, if any, are also disposed of.
