CORAM: HONOURABLE MR. JUSTICE PARTHA SARTHY
ORAL ORDER

2 27-04-2023 Heard learned counsel for the petitioner, learned
counsel for the respondents and learned counsel for the
interveners.

The petitioner has filed the instant application for the
following relief(s):

*“That this is an application for an
appropriate writ, order/direction commanding the
respondent to measure and demarcating his land as
well as the land is private respondent in the
neighbourhood. He also pray the directed to mention
their position in the demarcated area on the land.”*

In view of the order that the Court proposes to pass,
no order is being passed on the intervention application ie I.A.

no.9857 of 2016 filed by one Suresh Prasad, son of late Ramjee Prasad, resident of village Bagaha, Police Station Bagaha in the District West Champaran.

The prayer made in the writ application by the petitioner is for measurement and for demarcation of his land as well as the land of the private respondents. From perusal of paragraph no.9 of the writ application, it transpires that the petitioner has already filed Demarcation Case no.64 of 2015-16 wherein some report has been submitted by the Circle Officer.

In view of the above facts as also in view of the fact that the petitioner has not made the 'private respondent' as a respondent in the writ application, the Court is not inclined to enter into the merits of the case and the writ application is disposed of giving direction to the petitioner to pursue the said demarcation case before the authority concerned.

The writ application stands disposed of.
