ORAL ORDER

2 28-04-2023 Heard learned counsel for the petitioner as well as
learned APP for the State.

In this case, the petitioner is seeking regular bail in connection with Maniyari P.S. Case No. 372 of 2021, registered for the offences punishable under Sections 304(B), 34 of the IPC.

As per allegation, the marriage of the daughter of the informant was solemnized with the petitioner on 31.05.2021. The accused persons were demanding gold chain, ring and Rs. 50,000/- cash. When the informant expressed his inability, they committed the murder of the deceased on 21.10.2021. The informant went to the matrimonial house of his daughter and saw her dead body. He gave information to Maniyari police

station on the same day. Due to mental trauma and agony, he furnished his *fardbeyan* on 05.11.2021.

The learned counsel for the petitioner has submitted that the petitioner is innocent and has falsely been implicated in this case. There is no explanation of delay in lodging of the FIR. The occurrence had taken place on 21.10.2021 but the FIR was registered on 05.11.2022.

The victim died within six months of her marriage in her matrimonial house. There is allegation that the petitioner, who is husband and other matrimonial inmates committed dowry death. So far as delay in lodging of the FIR is concerned, that has been explained in the *fardbeyan* itself.

In my view, the petitioner does not deserve the privileges of bail, which is hereby rejected.

The learned court below shall take every endeavor to dispose of the trial, preferably within a period of nine months.
