learned APP for the State.

The petitioners have prayed for regular bail in a case registered for the offence punishable under sections 341, 323, 307, 379, 504, 506, 34 of the Indian Penal Code later on Section 302 of the IPC was also added.

As per prosecution case, the allegation against the petitioners is that they assaulted the informant by means of *garasa* and iron rod on the head, stomach and neck of the informant due to which she sustained severe injuries and during treatment she died.

Learned counsel for the petitioners submit that the

petitioners are innocent and have committed no offence. They have falsely been implicated in this case due to previous enmity. They have got no criminal antecedent. There is case and counter case between the parties It is further submitted that the petitioner is languishing in judicial custody since 13.09.2022.

Learned APP appearing for the state has opposed the prayer of regular bail and submitted that there is direct allegation against the petitioners of assaulting by means of *garasa* and iron rod upon the head, neck and stomach of the informant due to which she sustained many injuries and during treatment she died. As per Postmortem Report, which is annexed with Case Diary, which shows that the deceased sustained five injuries and doctor opined cause of death due to haemorrhage, shock and coma, caused by hard and blunt object. During investigation, witnesses also supported the prosecution version.

Having heard the learned counsel for the parties and considering the fact that there is direct allegation against the petitioners of assaulting by means of *garasa* and iron rod, resulting into death of the informant, this court is

not inclined to enlarge the petitioner on bail and, as such,
his prayer for bail stands rejected.

The trial Court is directed to expedite the trial and
conclude the same as soon as possible.
