CORAM: HONOURABLE MR. JUSTICE SUNIL KUMAR PANWAR
ORAL ORDER

3 21-06-2023 Heard learned counsel for the petitioner and learned
APP for the State.

The petitioner has prayed for regular bail in a case
registered for the offence punishable under sections 302 of the
Indian Penal Code.

As per FIR, the husband of the deceased was
suffering from mental disorder and the petitioner and
deceased was in love and due to altercation he committed
murder of the informant's daughter by means of repeated
stabbing.

Learned counsel for the petitioner submits that the
petitioner is innocent and has committed no offence. He has
falsely been implicated in this case. It is further submitted that
the petitioner is languishing in judicial custody since

01.08.2022.

Learned APP appearing for the state has opposed the prayer of regular bail and submitted that there is specific allegation of stabbing attributed against the petitioner due to which daughter of the informant died. It is further submitted that at the instance of self confessional statement of the petitioner the alleged knife was recovered which was used in this alleged crime. As per postmortem report, doctor opined cause of death due to haemorrhage and shock caused by heavy, blunt and sharp object.

Having heard the learned counsel for the parties and considering the facts and circumstances that there is direct allegation against the petitioner of stabbing by means of knife, resulting into death of the informant's daughter, this court is not inclined to enlarge the petitioner on bail and, as such, his prayer for bail stands rejected.

The trial Court is directed to expedite the trial and conclude the same as soon as possible
