ORAL JUDGMENT
(Per: HONOURABLE THE CHIEF JUSTICE)

Date : 10-04-2023

The petitioner, a practicing Advocate, claims public interest in so far as the relief sought, to direct the District Courts to comply with the orders passed by this High Court specifying the definite period in which disposal was directed. The petitioner seems to have obtained information from the District & Sessions Judges of various districts of Bihar regarding the numerous orders passed in criminal cases wherein there was a direction for expeditious disposal or disposal within a specified

time period. This has not been complied with, is the grievance of the petitioner, which he says, is in public interest.

Admittedly, the orders for disposal have been obtained by private individuals, either the accused or the *de facto* complainants who have a remedy if such orders are not complied with; either on the judicial side or on the administrative side when the orders have been issued by various Benches of this Court directing disposal of cases expeditiously or within a specified period. There is absolutely no reason why we should invoke our extraordinary jurisdiction under Article 226, especially in a Public Interest Litigation, to implement and execute such orders.

We find no reason to entertain the writ petition, which would stand dismissed *in limine*.
